

F1 (30A)	Electric windows, sunroof
F2 (40A)	Ignition switch
F3 (40A)	Heated rear window
F4 (15A)	Front fog lamps
F5 (15A)	Central locking (double locking)
F6 (20A)	Heated door mirrors, heated windscreen
F7 (10A)	ABS warning lamp (some models), air conditioning (AC), alarm system, alternator, anti-lock brake system (ABS), automatic transmission (AT), auxiliary heater (1CD-FTV), central locking, daytime running lamps, heated front seats, heated rear window, instrument panel warning lamps, multifunction control module, reversing lamps, sunroof, vehicle speed sensor (VSS)
F8 (20A/25A)	Front fog lamps
F9 (10A)	ABS warning lamp (some models), alternator warning lamp, engine management, immobilizer, instrument panel, instrument panel warning lamps, supplementary restraint system (SRS)
F10 (30A)	Central locking, electric windows, multifunction control module
F11 (10A)	Daytime running lamps, front fog lamps (without daytime running lamps), instrument illumination, rear fog lamps (without daytime running lamps), switch illumination
F12 (5A)	Automatic transmission (AT), engine management, park/neutral position (PNP) switch, starter motor relay
F13 (7,5A)	Indicators/hazard warning lamps
F14 (15A)	Audio system, automatic transmission (AT), cigarette lighter, digital multifunction display, electric door mirrors, multifunction control module, supplementary restraint system (SRS)
F15 (5A)	Alarm system horn, anti-lock brake system (ABS), automatic transmission (AT), central locking (double locking), digital multifunction display, engine coolant blower motor relay 1-3
F16 (10A)	Stop lamps
F17 (5A)	Engine management, heated rear window
1	Multifunction control module - functions: Alarm system, central locking/remote control, electric windows, interior lamp, lamps 'on' warning buzzer, sunroof
2	Tail lamps relay
3	Electric window motor relay/sunroof motor relay
4	Heated rear window relay
